Dear Glen:

This letter is to compliment your organization for excellent service building various challenging projects over the past five years. The experience of your staff has proved valuable to our organization and consulting teams.

Wells Construction has done an excellent job of site evaluation, value engineering and project management. The work is top quality and completed in a timely manner.

Your management staff is focused on building relationships that has been a tremendous benefit in a fast paced growth environment. Your organization has played a key role in the continued success of our development process.

I wish you the best and look forward to working with your skilled team throughout the year 2005.

Sincerely,

A handwritten signature in black ink that reads "Valerie Roberts". The signature is fluid and cursive, with the first name "Valerie" being larger and more prominent than the last name "Roberts".
