To whom it may concern,

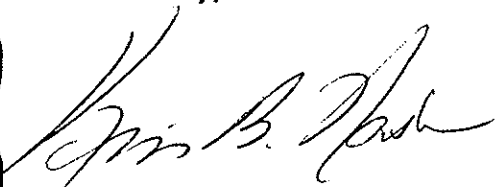

We hired Wells Construction during the summer of 2005 to construct a Robeks Juice store in the Granite Bay area. Working with them was a terrific experience.

Everyone we came in contact with at Wells was experienced and professional. Our phone calls and questions were always answered promptly and efficiently. The sub contractors they hired all did a quality job and the store was well built in all areas.

Glen Wells, Debi Phillips and our on site superintendent, Sam, were all a pleasure to work with. They exceeded our expectations and completed to project right on schedule—which was no easy task.

We would definitely work with Wells Construction in the future and would highly recommend them to anyone ready to undertake a project of this sort.

Sincerely,

Russ & Kim Nash
